

# THE STATE OF PUBLIC HEALTH IN OREGON

## CURRENT

INFLEXIBLE CATEGORICAL  
GRANTS FOR SPECIFIC PROGRAMS  
IDENTIFIED BY OUR FEDERAL PARTNERS.

Lack of funding  
for foundational  
capabilities

Currently, Oregon's public health system looks like a tree with heavy branches and a spindly trunk, with no infrastructure to fully address the health needs of our communities—an unsustainable state.

## FUTURE

BASIC COMPREHENSIVE  
PROGRAMS DELIVERED  
TO ALL IN OREGON.

Foundational  
Capabilities:  
The skills,  
resources and  
systems that  
support  
effective  
programs

Modernization would provide funding that would support the skills, resources, and programs to support the health of all in Oregon.
