

Agenda	Immunization Policy Advisory Team (IPAT) Thursday, December 7, 2017 / 11:45 – 1:30pm/Room 1D
---------------	---

Conference Number(s): 1-866-377-3315

Participant Code: 9971 040

To join the meeting via webinar: <http://healthoregon.adobeconnect.com/r1gvjorqz1b/>

Topic	Presenter	Time
Introductions / Announcements	Aaron Dunn	10 min
HB 3276 Task Force Report Summary	Erin Corrigan	10 min
ACIP Update	Paul Cieslak	15 min
Membership discussion	Aaron Dunn	30 min
Hep A Outbreak Prevention	Paul Lewis & Ann Thomas	15 min
Wrap-Up and Next Steps	Aaron Dunn	10 min

HB 3276 Task Force: Support for recommendations

Full support: I support this recommendation without reservation

Partial support: I do not fully support this recommendation but can live with it going forward

No support: I object to this recommendation going forward

Recommendation	Full support	Partial support	No support
12 Direct OHA to identify guidance and model policies for legal sharing of information that can be adopted or used by educational institutions and public health agencies in emergency settings.	28		
13 Direct OHA to create guidelines for emergency refrigeration, storage and vaccine distribution procedures and requirements that will allow for vaccine to be stored at the proper temperature.	22		3
16 All immunizers within Oregon must submit vaccine administration data to ALERT IIS within 14 days of administration.	24		4
25 OHA will explore Medicaid options (for instance, state plan amendment or waiver and presumptive eligibility) with respect to an epidemic or other condition of public health importance for measures...	23		4
24 Preestablish purchasing methodologies for treatment, supplies and other prophylactic measures needed in a response.	24		6
1 OHA shall establish rules and guidelines that assure OHP member access to services as a result of a disease outbreak, epidemic or other condition of public health importance regardless of in-network status,...	22		6
9 Task OHA with identifying consistent communication lines across all payors to facilitate effective communication related to public health events.	23		7
5 Fund support for local health departments to establish and maintain business functions that allow for contracts with health insurance providers (public and commercial) to cover costs of relevant clinical services <i>as they pertain...</i>	19		7
17 Establish an emergency response fund to cover costs of response not covered by insurance.	21	3	5
7 Task OHA with Incentivizing partnerships between CCOs and college health centers that would allow health centers to serve as primary providers for students with OHP.	15	12	2
3 Establish and implement a plan to assure voluntary cooperation among ERISA-exempt plans.	15	12	3
4 Fund support for local health departments to establish and maintain business functions that allow for contracts with health insurance providers (public and commercial) to cover costs of all clinical services.	9	12	7
14 During an outbreak, epidemic or other condition of public health importance, any provider may provide services within their scope of practice, including delegation, and expect to be reimbursed by all payors.	11	9	10
18 Revise or augment recommendation 17 to include these two areas of expenditure: a. Costs incurred related to the logistics or organizing and implementing response operations; and b. Costs related to the...	9	8	11
2 Require that all payors doing business in Oregon assure payment of a claim to any licensed provider when such an emergency or declaration is announced. Licensed providers include local health departments,...	10	6	14
6 The state should consider programs similar to Montana and Massachusetts that purchase student health insurance plans for students in lieu of Medicaid.	4	13	13
19 To generally improve vaccine coverage with the potential to limit post-exposure impact and improve timeliness of exposure response, through a combination of...	2	11	15
22 Establish a centralized "administer and chase" system to get medication or vaccinations to thousands of people quickly and then bill later with guarantee of coverage.	8		20

What critical organizations are we missing?
 What critical stakeholders/partners are we missing?
 Who needs to hear the discussion at IPAT?

Who would add to the discussion at IPAT?
 Do we need to connect with different levels or
 positions at these organizations (ex. gov't affairs vs.
 clinicians?)

2018 IPAT Meeting Dates

Date	Location	Time
March 1, 2018	PSOB Room 1D	11:45am – 1:30pm
June 7, 2017	PSOB Room 1D	11:45am – 1:30pm
September 6, 2017	PSOB Room 1D	11:45am – 1:30pm
December 6, 2017	PSOB Room 1D	11:45am – 1:30pm

Meeting dates and locations are subject to change. Members will be notified of said changes via e-mail as early as possible.
