## FY18 LPHA Expenditures Data Collection

Select LPHA name from the list *

[                                    ▼]

**1. Local Public Health Authority Expenditures Paid with County General Funds**

[                                    ]

**2. Local Public Health Authority Expenditures Paid with County Other Funds**

[                                    ]

**3. Total County Public Health Expenditures (1 + 2)**
This figure should match LPHA Expenditure County plus Other General Funds

[                                    ]

**4. Exclusions**
For excluded items, see the documentation

[                                    ]

**5. Remaining County Total (3 – 4)**
This should equal the Expenditures less the exclusions

[                                    ]

**Does your LPHA have any in-kind support from the county government? ***
Monty Schindler from OHA will contact you directly to discuss the type of "in-kind" support and work with you to determine if/how to capture the information appropriately and consistently.

○ Yes    ○ No

**Submitter Email ***
This is the person who will receive the email to fill out step #2.
