

NACCHO's Board of Directors has approved a membership dues increase for 2020 – the first increase in three years. Your dues are a key part of our operation budget and will allow us to continue our current advocacy, programmatic, and member efforts, and support new ones. You can renew at the current membership rates if your payment is received by December 31, 2019. If you have already renewed your membership for 2019, then there will be no changes until you renew for 2020. Please email membership@naccho.org for more information.
