Dear Sierra Prior,

Congratulations! The Northwest Public Health Training Center at NWCPHP has reviewed and approved your request for \$9,000 to support bringing in Human Impact Partners for a health equity training in April 2020.

To discuss the payment process, please contact our Center Operations Manager, Ria Francisco, at rfranc15@uw.edu or 206-685-7255. Please note that by accepting these funds, you agree to complete a brief report about the impact this activity had on your workforce, organization, or communities served. We will provide the report template via a weblink at the end of your project period. We also request that any published articles or presentations resulting from this activity note that funding was provided by the Health Resources and Services Administration.

If you have questions about this decision or would like more information, please be in touch.
