The Conference of Local Health Officials vs. The Coalition of Local Health Officials

Conference

- Exists in Oregon Revised Statutes ([ORS 431.330](#))
- Forum for Oregon Health Authority and Local Public Health Authorities (LPHAs) to discuss expectations, funding, program elements, and other governmental public health issues.
- Made up of 6 Committees that make recommendations to the Board:
 - Access to Clinical and Preventive Services
 - Communicable Disease
 - Environmental Health
 - Emergency Preparedness
 - Health Promotion and Prevention
 - Systems and Innovation

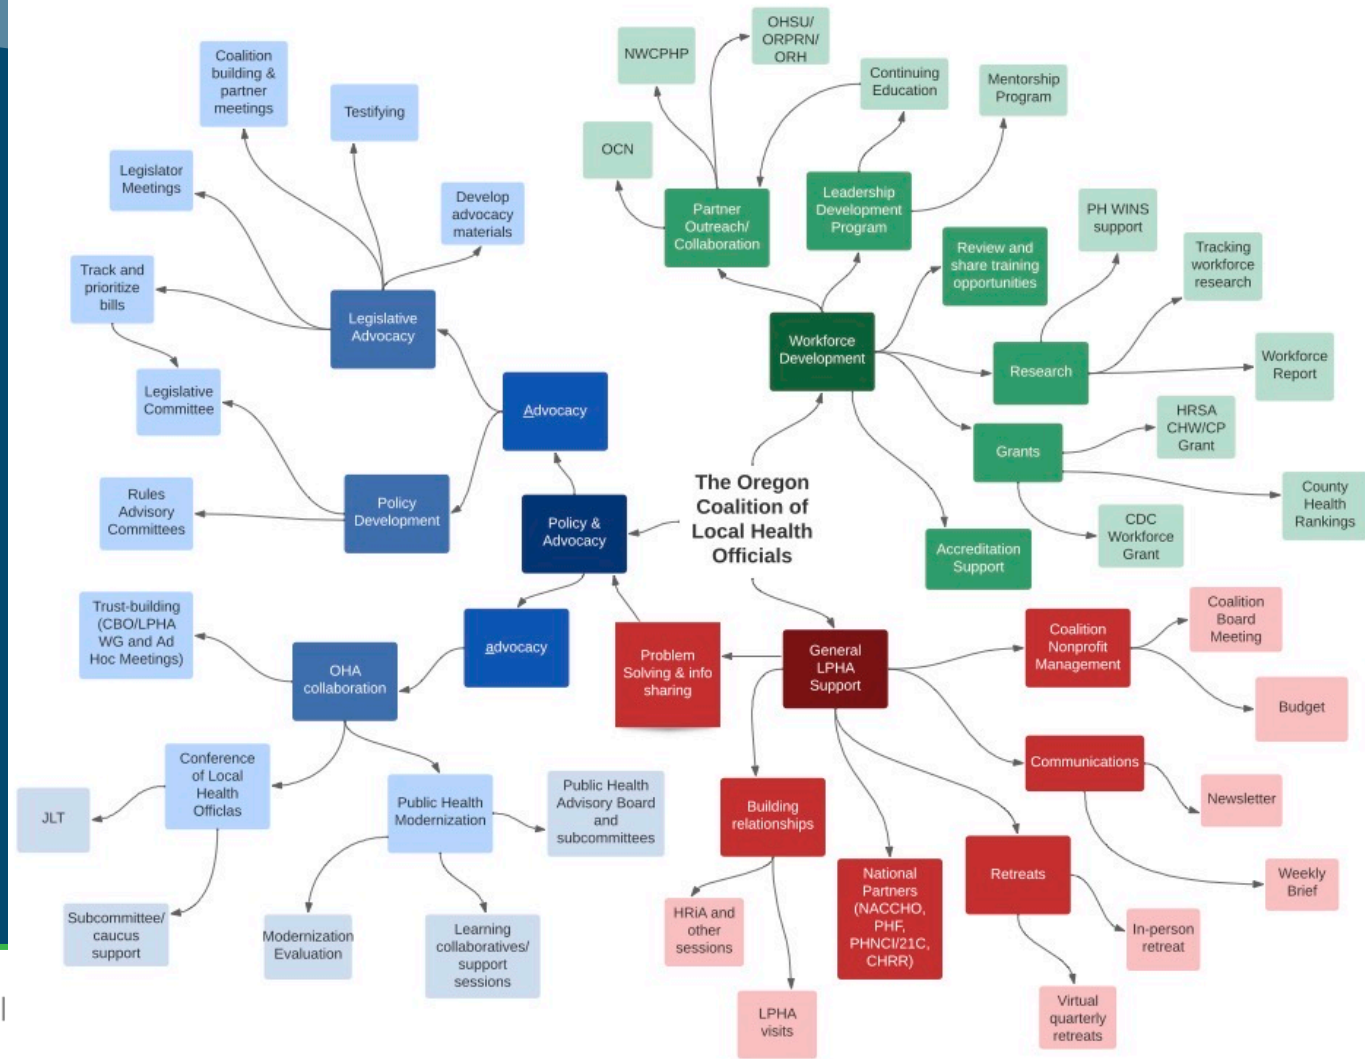

Coalition

- 501(c)(6) non-profit organization (funded by member dues)
- Represents all of Oregon's 33 LPHAs
- Advocates to the Oregon Legislature and tracks policy that impacts LPHAs
- Provides workforce and communications support
- 2 Staff (Executive Director and Program Manager)
- Member-led organization
 - Legislative Committee recommends policy priorities
 - Executive Committee and Board of Directors approve and direct CLHO staff's workforce and communications priorities

Both are referred to as CLHO, they essentially have the same Executive Committee and Board of Directors, and Coalition staff lead Coalition activities and are contracted by OHA to support the Conference
