Notify applicants	Late January 2024	OHA
Begin grant agreement	February 1, 2024	CBOs

*Please note all dates are subject to change based on legal sufficiency review and other requirements

Recap of recommendation regarding LPHA reviewers for CBO grant applications

- Each CBO grant application will be reviewed by two LPHAs:
 - One from a similar sized LPHA not located in the region.
 - One from the LPHA in which the CBO is proposing to work.
 - If a LPHA cannot contribute a reviewer, then OHA will request a neighboring county or a county also listed in the applicant's service area participate in the review.

Recommendation regarding LPHA reviewers for CBO grant applications

- Each CBO grant application will be reviewed by two LPHAs:
 - One from a similar sized LPHA not located in the region.
 - One from the LPHA in which the CBO is proposing to work.
 - If a LPHA cannot contribute a reviewer, then OHA will request a neighboring county or a county also listed in the applicant's service area participate in the review.
