

Summary of Gap Analysis and Impact of Cohort 2 Selection process

- Reviewed LPHA PH Modernization Funding Formula for Cohort 1 Funding determined this jurisdictions were underfunded by CBO funding:

Benton

Malheur

Columbia

Marion

Deschutes

Tillamook

Douglas

Umatilla

Linn

Yamhill

- These counties were considered priority populations and CBOs serving these areas were given additional consideration in the Cohort 2 application review.

Closing the Gaps through Cohort 2

County	C2 CBO selection impact on addressing gaps	Does gap still exist?
Columbia	Did not have sufficient quality applications to address gap	Yes
Tillamook	Did not have sufficient quality applications to address gap	Yes
Yamhill	Successfully bridged gap through C2 selection process	No
Benton	Successfully bridged gap through C2 selection process	No
Linn	Successfully bridged gap through C2 selection process	No
Marion	Did not have sufficient quality applications to address gap	Yes
Douglas	Did not have sufficient quality applications to address gap	Yes
Deschutes	Made progress to address gap by increasing allocation	Yes
Malheur	Did not have sufficient quality applications to address gap	Yes
Umatilla	Successfully bridged gap through C2 selection process	No

Overfunded Counties

- Reviewed LPHA PH Modernization Funding Formula for Cohorts 1 and 2 Funding determined this jurisdictions are still overfunded:

Clackamas

Jackson

Multnomah

Washington
