Community of Practice

- CLHO Systems and Innovation remains committed to supporting the success of every LPHA in completing their PH Modernization Plan.
- In consideration of capacity constraints, proposing development of a community of practice rather than formal technical assistance.
- Would be a space for open dialogue and sharing between LPHAs about plan development experiences and suggestions.

Request to LPHAs

- How could a community of practice be best structured to support the needs of your LPHA in developing your PH modernization Plan
- After reviewing the available materials, what questions do people still have?
- After reviewing the available materials, what additional supports are needed
