

Conference of Local Health Officials

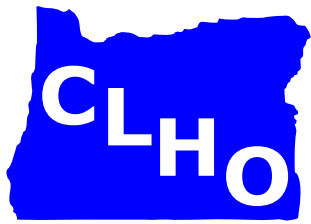

CLHO Prevention and Health Promotion Committee Agenda & Minutes

January 4, 2024

1:00 –2:00 PM

ZoomGov Meeting

Agenda Item	Detail	Action Item	Responsible Party
Welcome, Introductions (as needed) and roll call	Quorum is 50% +1 of committee membership	Roll Call is attached.	Elisabeth Maxwell & Jennifer Little
Review of minutes	Review	The December minutes were approved.	Jennifer & Elisabeth
HB 2395 Update	Overview	<p>Courtney provided an update on HB 2395's youth/young adult overdose reporting requirements. The new reporting requirements are part of the larger Opioid Omnibus bill that passed in the last legislative session. The new requirements are like existing suicide reporting requirements for deaths among individuals 24 years or under. However, HB 2395 only requires local death notifications; postvention response activities are optional but not required.</p> <p>As of January 1, 2024, district medical examiners or medical-legal death investigators must notify the local mental health authority in the county where the suspected youth/young adult overdose death occurred. OHA is working with the nine Federally Recognized Tribes to determine their preferred notification process when the decedent was a Tribal member.</p> <p>OHA was required by statute to develop Communication Guidance to assist local notifications by January 1, 2024. Given the tight timeline, OHA has released initial guidance but will engage local public health, local mental health, and Tribal partners throughout 2024 to iteratively update and improve the initial Guidance. Courtney will come back next month for further discussion.</p>	Courtney Fultineer

Conference of Local Health Officials

		OHA's Communications Guidance for Overdose Reporting has been published on OHA's Opioid Overdose and Misuse Resources webpage . Here's a direct link to the document	
Annual Co-Chair Vote	Vote	Hannah Woods with Malheur County has volunteered to step up as a new co-chair. Hannah gave a brief overview of her background and experience. The committee voted overwhelmingly for Hannah to be the new co-chair with Elisabeth. The committee thanked Jennifer for her service.	Jennifer, Elisabeth & Hannah
PE 76 TRL Updates		<p>Sarah and Annie gave a short overview of proposed changes to PE 76. TRL PE 76 went into effect on July 1, 2023. It provides local administrations to do tobacco inspections, and work with OHA to issue civil penalties and tobacco retailer oversight. The pertinent issue to address in amending PE 76 is to suggest timelines and clarify the expectations. Sarah and Annie would like the committee to vote and approve the changes to move forward to big CLHO.</p> <p>Annie went over the changes to the timeline and recording period which include procedural and operational requirements. The six counties that have participated include: Clackamas, Coos, Curry, Douglas, Hood River, and Josephine. Belinda with Hood River said that the proposed changes would be helpful to clear up some issues they have struggled with in their county.</p> <p>The committee voted to approve the changes to PE 76 and move forward to big CLHO.</p>	Sarah Wylie and Annie Masuda
LPHA Open Forum		Recording turned off. Open discussion continued with sharing of concerns, brainstorming and ideas to share about county work in LPHA's.	Group
Next Meeting 2/1/2024
