

Local Public Health Authority Structures

FOR OFFICIAL
USE ONLY

LPHA Structures

- LPHA Operates all or most public health services within the LPHA governmental structure
- 100% of non-governance public health services are contracted to other entities
- LPHA contracts for most or all clinical public health services and operates most non-clinical core public health services within the LPHA governmental structure
- Cross Jurisdictional Health District
- LPHA currently in transition (see note on left)

Note: Josephine and Lake counties currently operate most public health services within the LPHA governmental structure. Josephine is moving towards a "yellow" model while Lake is moving towards an "orange" model. Columbia county contracts 100% of non-governance public health services to other entities.
